

Santo Domingo Pueblo is seeking proposals from qualified contractors or firms to finalize design, construct and install core and lateral buildout of fiber infrastructure including installation of over fifty (50) miles of optic cable fiber within the Pueblo, Sile and Pena Blanca. An optional pre-proposal meeting will be held virtually on Tuesday, November 18, 2025, at 8:00 am (MST). Proposals are due Monday, December 1, 2025, no later than 3:00 pm (MST). All interested contractors can request a meeting link and the full RFP package by emailing: broadbandproject@kewa-nsn.us with the subject header: SDP Connect NM Fiber.
