

Santo Domingo Pueblo is seeking proposals from qualified contractors for a design-build of a prefabricated Networks Operations Center (NOC), which will be approximately 3,750 sq. ft. The NOC will include a server room, office space, and meeting rooms for monitoring, managing, and supporting IT infrastructure.

An optional pre-proposal meeting will be held Monday, November 10, 2025 at 1:00 pm (MST) at the Santo Domingo Pueblo Trading Post, Indian Service Route 88, Santo Domingo Pueblo, 87052.

Proposals due Monday, November 24, 2025 no later than 3:00 pm (MST). All interested contractors can request the full RFP package by emailing: broadbandproject@kewa-nsn.us with the subject header: SDP NOC RFP.
