

Consumer Confidence Report (CCR)

Certification Form

PWS Name: SANTO DOMINGO PUEBLO

PWS ID #: 063500120

Date(s) of Consumer Confidence Report distribution to customers: _____

One or a combination of the following distribution methods is required to reach each customer (check all that apply):

- Mail of one copy of the report, or notice including a direct URL where the CCR is posted online, to each household/service connection
- Direct delivery of one copy of the report (or notice including a direct URL where the CCR is posted online) to each household/service connection
- E-mail the direct URL where the CCR is posted online to each household/service connection
- E-mail the CCR, sent as a .pdf attachment, to each household/service connection
- E-mail the CCR, sent as an imbedded image in the e-mail, to each household/service connection

If the water system has consumers who do not receive direct delivery of the CCR, such as renters or workers, the system must make a good faith effort to reach these consumers. A good faith effort to reach consumers would include a mix of methods appropriate to the system (check all that apply):

- Advertising the availability of the report in the news media (please attach a copy of the announcement)
- Publication in a local newspaper (please attach a copy of the newspaper)
- Delivery of multiple copies for distribution by customers that provide their drinking water to others (apartment building owners or large private employers, for instance)
- Posting in public places
List places: _____
- Posting on the Internet
List websites: _____
- Delivery to community organizations

List organizations: _____

Other: _____

The community water system named above hereby confirms that its Consumer Confidence Report has been distributed to customers (and appropriate notices of availability have been given). Further, the system certifies that the information contained in the report is correct and consistent with the compliance monitoring data previously submitted to the primacy agency.
